Principal’s Message

Spring has sprung!! It’s such great weather for outside play and the children are really enjoying it.

PRESENTATION DAY/NIGHT
After last year’s Presentation Evening which was dogged by bad weather and went for a long time, the staff and I have discussed some ways in which it could be made more “comfortable” for all. I am asking you if you prefer a Presentation Day time or Evening time. We will be having a separate Year 6 assembly, the time of which will be decided at a later date. Could you please complete the cut off section at the end of this newsletter and return to school no later than Monday 7th September and let us know your thoughts.

FATHER’S DAY BREAKFAST
Our Father’s Day Breakfast is this Friday 4th September starting at 7:30am. Please make sure you have sent in your blue notes asking for numbers to help our P&C with their catering.

MATILDA
We need to have all Matilda notes and payments ASAP. We have purchased the tickets and need to finalise our paper work. It is now only 2 weeks away. How exciting!!

K/1/2 AFTERNOON STRUCTURED PLAY
This will not be on this Thursday. Miss Suazo will be at L3 training.

MBASC ANNUAL MEETING
Mountain Before and After School Care are holding their AGM on Wednesday 16th September at 6:00pm. Please support this very worthwhile organisation.

BOOK FAIR & BOOK CHARACTER PARADE
Don’t forget our Book Character Parade is on next Tuesday 8th September starting at 9:30am followed by our Book Fair. We’d love to see you all there.

HAUNTED DAY
Year 6 would like to thank all the children who dressed up, participated in and contributed to their fundraising “Haunted Day”. This will be the last Year 6 fundraising day until next term (Friday 27th November) when they will hold a mini fete for the other children in the school.
SHOWCASE
Our annual Showcase evening will be held early Term 4 – Tuesday 13th October. If your child is learning an instrument or having musical lessons of any kind and would like to be included as a solo item, please let me know ASAP.

Kind regards,
Helen Dwyer
PRINCIPAL

BOOK FAIR & BOOK PARADE
We are holding our annual Book Fair this Tuesday 8th September. There will be a Book Character Parade on the day with book prizes awarded to a student from each grade. All students are welcome to participate. The parade will be held at 9:30am and the Book Fair will commence shortly after.

The books for sale are now on display in the library for the children to look at. They have all received their wish list form which can be a convenient way for those children whose parents cannot attend the fair to purchase books.

This year’s theme is ‘Under the Sea’ and children are encouraged to explore an ocean of books.

We look forward to seeing you at our Book Fair and a reminder that all purchases benefit the school in the form of a sales commission which enables us to buy books for the library.

Thank you for your support.
Kind regards,
Bill Haydon
Teacher/Librarian

HEALTHY DRINKS FOR CHILDREN

The best drinks for children are water and milk.
Plain tap water is best to quench thirst.
Milk is an excellent source of calcium and other important nutrients. Calcium is important for children to grow strong bones and teeth. Reduced fat milk is the best choice for children over two years of age. It has less saturated fat and energy (kilojoules) than full fat varieties, but still has important nutrients such as calcium.
