Principal’s Message

The start to our year has continued to be smooth sailing. All children have been very settled in the classrooms and in the playground. I just love the interactions with our Kindergartens. They really do amuse me in their innocence. Just a reminder to parents at this time that teachers will call you if there are any issues to discuss. We have 3 way interviews this week. Whilst early in the term, it gives the teachers an opportunity to shape their programs around the needs of the children in their classes. Teachers are always available to meet with parents however, an appointment time needs to be made.

CANTEEN

Any donations of seasonal vegies, fruit and eggs would be greatly appreciated.

INFORMATION AFTERNOON

Thank you to the parents who were able to join us for this information session. We certainly had a good turnout. I’m sure it must have been my fruit cake!!

HELPERS

Thank you to those who have offered their assistance in different ways. I have passed names and phone numbers onto the teachers, so expect a call once programs get underway.

OLIVER LIBRARY SYSTEM

Mr Haydon has been very busy installing the new OLIVER system in the Library. Whilst it has been a test of his IT skills, he has endured the training and conquered it! A very big thank you to Mr Haydon for the extra time and effort it has taken and also to Mrs Haydon who has so generously given her time to assist Mr Haydon. We are very lucky to have them both in our school.

3 WAY INTERVIEWS

Our 3 way interviews will be held on the 11th & 12th February. Please return your notes to make a suitable time. It is important that we hold these interviews early in the term to enable goals to be established.

SAKGP

Rachel Jackson and I will be heading to Sydney this Tuesday to do a refresher course for the Stephanie Alexander program. As you are aware I will be implementing the program this year with Year 2/3 on Wednesdays. Thank you to Tammy Fanelli who has been
assisting with the garden. This week the children will be planting vegies & herbs. Many thanks to Sciberras’ for donating the plants.

VIOLINS
Thank you for returning the notes so promptly. Our violin program will start this Thursday. I will let you know organisation, times and costs before the end of the week. Children will just come to school at the normal time this week.

BOOK MOBILE
The Book Mobile will be visiting our school fortnightly on Wednesdays at 12:15pm to 1:00pm. The next one will be Wednesday 17th February.

REMINDER
We have had a couple of reported cases of whooping cough in our school community. If you child is unwell we recommend that you see your doctor.

EMERGENCY CONTACTS
A letter is being sent home today regarding student emergency contact details we have on file. Can you please ensure that all details are correct and return it to the office as soon as possible.

Have a great week.

Kind regards,
Helen Dwyer

Canteen News

Canteen will start this Friday. A new summer menu is attached to the newsletter and there are spare copies in the office foyer. Many thanks to those who are able to assist on Friday morning. A roster will be out to you next week. We are always looking for volunteers so if you hear of anyone that can assist please let us know.

Just a reminder that orders are to be written on a paper bag or on an envelope with your child’s name and class. Money is to be placed in the bag. Lunch orders will be collected by your child’s teacher.

It would be greatly appreciated if anyone has seasonal produce to donate eg. Tomatoes, lettuce fruit etc. or eggs, they could bring them in on Thursday.

We thank Veronica at Sciberras Fruit Barn for donating the vegetables to our canteen on a weekly basis.
